### **City Art Show & Exhibition Submissions Due Sunday**

The CASE 2.0 (City Art Show and Exhibition) will take place at the Pavilion Art Space, which is an indoor display and viewable to the public. The exhibition will have a kick-off event, after which the artwork will be displayed from April 7 – 30.

Please complete the [submission form](#) no later than **Sunday, March 26**, to give a sense of the artwork you'd like to display. Artwork can be something you've already created or something you develop specifically for the exhibition itself.

If you have any questions, please reach out to [Jon Klapp](#) or [Morgan Vanderkamp](#).

### **Spokane Bike Swap and Expo**

This year the City of Spokane will have a table at the 2023 Bike Swap and Expo to help our employees find their perfect commuter bike, ask questions, and maybe get a sweet swag bag full of accessories that can make for a safe bike commute. Members from the Bicycle Advisory Board will be available to answer any questions and hand out swag bags, while supplies last, to employees that visit our table and show their City ID.

We hope to see you there! For more information on the event, please visit [Spokane Bike Swap](#).
