

My roommate tested positive for COVID.
What do I do?

Several of my crew members have been identified as close contacts – what are the next steps?

I've been quarantined, but I feel fine.
When can I return to work?

ASK THE HR COVID RESPONSE TEAM

Whether you are an employee, supervisor, or manager, ALL of your COVID-related questions can be routed to our **HR COVID Response Team** for answers, comprehensive guidance, and best practices designed to keep our workforce safe and healthy! Just email:
